## Terms and Conditions

**SALE TERMS** - Cash, except when arrangements have been granted by the consignor. Settlements to be made with Minnesota Shorthorn Breeders Assn. immediately following the sale, but it should be understood that the said Assn. assumes no liability legal or otherwise and that the guarantee and terms as published herein shall constitute a contract between the consignor and purchaser of each lot.

All stock at buyers risk as soon as bid off, but the management will carry out buyers instructions in loading and shipping as nearly as possible.

A certificate of Registry with transfer to purchaser will be furnished free of charge with each lot. For calves at foot and unborn calves, signed application to be furnished by consignor.

**GUARANTEE** - All animals to be sold have been tested for T.B. and Bangs, and health certificates will be furnished enabling them to go into any state.

Bulls are guaranteed breeders if not allowed to run with herd when under 20 months of age. If a bull fails to breed he may be returned to seller in as good condition as when bought and if after three months' trial he fails to breed, the animal will be replaced with one of equal value or money refunded. Cows with calves at foot are considered breeders. All other cows and heifers over sixteen months old guaranteed breeders with the same retrial privilege as bulls. All cases of non-breeders to be reported within ninety days. Return freight when necessary to be paid by buyers.

**MAIL BIDS** - Those wishing to buy at this sale who cannot be present may send their bids to Allen Atleson or Clem Larson of the American Shorthorn Breeders' Association, 7 Dexter Park, Chicago, Ill.; Mervin Aegerter or Albert Haaman of the Shorthorn World, 37 Island Avenue, Aurora, Ill.; J. E. Halsey, the auctioneer, 1912 Grand Ave., Des Moines, Ia.; or Norman T. Findahl, Waterville, Minn., Sales Manager.

## THE SHOW

9:00 A.M.

June 3, 1954.

Judge - Marvin Smith, Paullina, Iowa.

The Blue Earth Chamber of Commerce is offering a beautiful silver water pitcher to the breeder and owner of the best pair of Shorthorns-Bull and Female at this show. Pitcher presented each year to the winner of that year and it becomes the permanent property of breeder who wins it two times not necessarily in succession.

The prize money this year amounts to \$450.00, made possible by the aid of the Blue Earth Civic and Commerce Association, and a pool of money received from the consignors themselves.

The cattle will be sold in the same order as the judge placed them in the show ring, so that a buyer who does not feel that he himself is competent to judge which one is best, can in this way use the experience of the judge as to which is the better.

### BEEF JUDGING CONTEST 9:00 A.M.

Open to all Minnesota FFA or 4H Members. The prizes below will be given to the members of Minnesota FFA or 4H Club in the form of Warrants which can be used by that member towards the purchase price of any female sold in this sale of June 3, 1954.

\$100.00-\$80.00-\$70.00-\$60.00-\$50.00-\$40.00-\$30.00-\$20.00

## PREMIUM AWARDS

Members of Minnesota Shorthorn Breeders Ass'n at the Annual Meeting Feb. 11th, St. Francis Hotel, St. Paul after due deliberation voted to again, with the gracious aid of The Blue Earth Chamber of Commerce, continue offering \$450.00 as premium money for the show. However, they made quite a significant change in the payment of that money by voting not to make any payments to consignors who are to receive ribbons, only except where there are special prizes or trophies offered. They voted that all prize money should be paid to 4H and FFA Beef Judging contest. This movement was made mainly because of the belief that the most effective way to promote the Shorthorn Breed is to start new herds of Shorthorns in the hands of young breeders who wish to start a herd and at this show demonstrate some natural ability in the judging of Beef Animals. They therefore, voted to put all of the \$450.00 in the 4H and FFA Judging contest starting with \$100.00 as First Prize, \$80.00 as Second and so on down with 10 dollar jumps to \$20.00 making 8 places.

Using Hermel computing Slide for scoring judging contests  
B. Carroll Plagerm, Manager Livestock Extension; Geo. A. Hormel & Co. on One Class of Bulls and Two Classes of Heifers of four each.

\$100.00-\$80.00-\$70.00-\$60.00-\$50.00-\$40.00-\$30.00-\$20.00.
